Dear Parents/Carers,

I am writing to touch base with you all following the Government's announcements this week. I have attended a virtual briefing with Cheshire East today to begin the process of finding out how any national changes have an impact on schools. The clear message that we have been given is to continue with the level of caution at this current time. I am awaiting more detailed information from the Local Authority as to whether there will be any specific changes to our procedures in school and I will of course keep you fully informed.

I hope that you have enjoyed meeting (online or by telephone) with the teachers over the last two weeks to discuss your child's wellbeing and progress. I am incredibly proud of how well the children have settled back into school life and the effort they are putting into their learning.

I would like to take this opportunity to say well done to all the children who participated in the 'Stop, Drop & Read' sponsored read with Usborne books. The children have raised a huge amount of money so far and I really hope they are enjoying choosing their new books! All the money raised for the school will be spent on exciting new texts for our Reading Hub, as well as for the classrooms.

Thank you as always for your support.

Yours sincerely,

Mrs J Carvell
