Dear Parents/Carers,

I am pleased to be able to now share with you some further details about September 2021.

Firstly, I would like to let you know of some staff changes for the academic year 2021-22. We are saying a fond farewell to two of our teachers, Miss Theo and Miss Bird, who are leaving to explore new ventures. I would like to take this opportunity to thank them for their hard work and wish them all the best for the future. One of our teachers, Mrs Evans, will be commencing her maternity leave in October and will therefore not have her own class in the new academic year. In addition to these changes, we have a number of Teaching Assistants joining our team in September: Mrs Delaney-Morris, Mrs Develing and Mrs Walker. We are very much looking forward to working alongside them. We are also delighted to be welcoming back Mrs Tootell and Miss Wood from their maternity leaves.

I am now in the position to let you know who will be teaching your child from September (outlined in the list below):

Reception to Year One:

Mrs Brammar's current class will be taught by **Miss Sefton**
Mrs Wilson's current class will be taught by **Miss Mackenzie**

Year One to Year Two:

Miss Bird's current class will continue to be taught by **Mrs Tootell**
Miss Theophanous's current class will be taught by **Miss Worthington**

Year Two to Year Three:

Miss Worthington's current class will be taught by **Miss Cassidy**

Year Three to Year Four:

Nobody else is quite like me'

During these unique times, we will be unable to hold our annual open evening. Our class swap morning will go ahead as planned and over the next few weeks, we will also be updating our 'Vernon Team' gallery of staff photos on the school website: <http://www.vernonprimaryschool.com/page/staffing-structure/44182> .

I am really looking forward to all the upcoming events to round off this academic year, such as our musical showcases, Year 6 celebration and our in-house sports days! As you already know from my previous letter, each year group will be holding their own sports day this term during the normal school day. This will take place during our 'Sports Week', an action-packed festival featuring not only the sports days, but other fun activities linked to the theme of the Olympics. Although our sports and music events are in-house this year, we will be taking photographs and videos to share with you on Google Classroom.

Thank you for your ongoing support.

Yours faithfully,

Mrs J Carvell
