Dear Parents/Carers,

I am writing to highlight and further promote our use of 'Spelling Frame' in Key Stage Two. The PTA kindly provided the funds for every class in Years 3 to 6 to have full access to this fantastic online resource and we would like to encourage all children to participate.

Spelling Frame is a website that links directly to the spelling rules and words taken from the national curriculum; it is a useful, interactive tool to help support your child's spelling at home. It can be accessed either on a computer, tablet or phone and is very user-friendly. Spelling lists can be adapted to target individual needs and spelling capabilities to ensure that it is a fully inclusive resource for all children. Individual logins have been given out by the teachers to enable them to explore the website and access a range of words and patterns. Once your child has logged in and found an appropriate spelling list (these are categorised by year group in line with the National Curriculum spelling word lists), the words will feed in to different games and resources for them to practise.

We hope that the children will enjoy using this new interactive online spelling platform.

Yours faithfully,

Mrs S McNeil & Mrs K Watson
English Leadership Team

Nobody else is quite like me'
