Wednesday 2nd November 2022

Dear Parents/Carers,

I hope you all had a wonderful half-term holiday. The children have come back to school this week refreshed and are continuing to engage with their class themes. More information about our curriculum offer and all subject areas can be found on the Curriculum section of our school website. We also hope that you have been enjoying our growing Twitter feed. We have thoroughly enjoyed showing prospective parents around school this term, sharing the school's ethos with the wider community and looking forward to welcoming new families to Vernon next year.

Attendance continues to be a priority for us. Thank you for continuing to work with us to ensure that your child attends school and engages with their learning. We would appreciate it, when possible, if medical appointments could be arranged out of school hours.

We have an exciting few weeks ahead as we gear up for Christmas! Children across the school are preparing for their Christmas celebrations – all the dates for performances, as well as the Years 5 and 6 theatre visit, can be found in our recent school newsletter. As always, we will be marking 'Anti-bullying' week in school from 14th November, with a range of activities to raise awareness and further develop an understanding of bullying and strategies to tackle this. There are also many enrichment opportunities planned for over the coming weeks, such as the Year 1's minibeast day, Year 3's Pirate day and Year 4's Egyptian day. We look forward to sharing photos from all our events on Google Classroom and Twitter. We were delighted that Year 2's superhero day was mentioned on BBC Radio 2 before the holiday by Vernon Kay!

Thank you as always for your support.

Yours faithfully,

Mrs S Kiely
Acting Headteacher
