Monday 5th July 2021

Dear Parents and Carers,

Following confirmation that more children have tested positive for COVID-19 (PCR tests) over the weekend, I am writing to provide you with additional information. We have worked closely with Cheshire East and Public Health to complete further track and trace procedures, to ensure the safety of our students and staff in order to reduce the risk of infection.

Following the advice provided by Public Health that we have just been issued, we have been directed that Miss Wildig's class now needs to self-isolate until midnight on Sunday 11th July 2021 and return to school on Monday 12th July.

Whilst self-isolating, children will need to continue with their learning. Remote learning is being provided using Google Classroom. Please see our Remote Learning policy on the school website for more information and guidelines. Work will be posted daily on Google Classroom, including videos and live sessions. Thank you as always for your support in helping your child to engage with home learning. As ever, I am mindful of how difficult this can be when trying to manage a working life as well as childcare so please just do what you can when you can.

Yours faithfully,

Mrs J Carvell
Headteacher

Nobody else is quite like me'
