Re: Class Isolation - Mrs Mowat and Mrs Wigglesworth's class

Dear Parents and Carers,

Following confirmation that a child has tested positive for COVID-19 (PCR test), I am writing to provide you with additional information. We have worked closely with Cheshire East and Public Health to complete track and trace procedures, to ensure the safety of our students and staff in order to reduce the risk of infection.

Following the advice provided by Public Health that we have just been issued, we have been directed that Mrs Mowat/Mrs Wigglesworth's class need to stay off school and remain at home. Your child now needs to self-isolate until midnight on Monday 12th July 2021 and return to school on Tuesday 13th July.

Whilst self-isolating, children will need to continue with their learning. Remote learning will be provided using Google Classroom. Please see our Remote Learning policy on the school website for more information and guidelines. Work will be posted daily on Google Classroom, including videos and live sessions. Thank you as always for your support in helping your child to engage with home learning. As ever, I am mindful of how difficult this can be when trying to manage a working life as well as childcare so please just do what you can when you can.

The safety of our community has to be the priority and I would like to reassure you that we are following advice given to us at all times.

Yours faithfully,

Mrs J Carvell
Headteacher

Nobody else is quite like me'
