Friday 2 February 2024

Dear Parents/Carers,

I am writing to you to share my concerns regarding the parking situation and safety of our children travelling to and from school each day.

Staff, Parents and Governors are regularly reporting incidents where there have been near misses for children crossing the road and also regular offenders creating potential hazards on the roads outside of school.

Whilst we appreciate the parking situation is not ideal, it is imperative that we all work together to ensure our children and families are safe.

I would be grateful if you could consider the following:

- Please be mindful and considerate of our neighbours by not blocking their driveways or access points for bin trucks.
- Do not park on the double yellow lines, on pavements or close to junctions.
- Walk to school where possible or car share with other families coming to school.

We will continue to liaise with the Town Council, Cheshire East and the local Police force to see how we can improve the difficulties in the local area. The PCSOs and CCSOs will be in attendance over the coming weeks when they can.

We share all parking and road safety concerns with local agencies so they are aware of the issues in our area.

If you would like to voice your own concerns please email schooltransport@cheshireeast.gov.uk

There is also a consultation for reviewing the crossing strategy please follow the link <https://bit.ly/3unw88V>

Yours faithfully

Mrs J Carvell
