## Collecting Siblings

Dear Parents and Carers,

As you know, we are reviewing systems every day under the current circumstances and making changes where necessary. We have found that collecting siblings early at the end of each day is logistically unmanageable. Children are missing valuable learning time and the teachers are trying to manage both teaching and handover simultaneously. Therefore, I please ask that for the end of each school day, that children are collected at their designated time:

- **Bubble 2 (Years 1 & 2): 2.50pm**
- **Bubble 3 (Year 3 & 4): 3.00pm**
- **Bubble 4 (Year 5 & 6): 3.10pm**

I appreciate that this could mean waiting up to a maximum of 20 minutes between collecting children. Although I always try to accommodate people's individual circumstances, please be patient with us, as these are unfortunately guidelines that we have to follow. It is your choice as to whether you wish to exit and re-enter the school site during this time, or socially distance at the back of the playground to await the next time slot.

Teachers will still open their doors at 8.45am every morning to allow for any siblings to enter their classrooms early.

Thank you for your support throughout this time.

Yours faithfully,

Mrs J Carvell  
Headteacher
