15th September 2020

Dear Parents/Carers,

Today Ofsted have made the decision to suspend the registration of Little Treasures Children's Club. As an interim measure whilst this decision was being made, I have been pleased to have been able to offer before and after school temporary provision on our school site.

I am writing to let you know that the last session of this interim provision period will be tomorrow morning (Wednesday 16th September). The session will run on the school site, supervised by my school staff.

I hope that these interim sessions have helped parents and families following the sudden news on Friday. Unfortunately, school does not have the capacity to run this wrap around care provision for the remainder of the week.

I have managed to secure an interim provider who will be operating from the school site from Monday 21st September. As soon as there is news to share about the new provision, information will be communicated with you later this week.

I would like to thank my school staff who have been working voluntarily to supervise the children before and after school as well as carrying out school hour duties. I have enjoyed being able to spend this time with the children.

Thank you for your patience and understanding with this matter.

Yours faithfully,

Mrs J Carvell
Headteacher
