Covid-19 Information

Dear Parents and Carers,

I am writing to let you know that we have been advised of a parent who has tested positive for Covid-19. This parent has a child in Bubble 3 (Years 3 and 4) in Miss Cassidy's class. The child will be isolating at home for two weeks and is not currently displaying any symptoms.

I have been given specific guidance from Public Health England and we are putting all measures in place for the school. I would like to reassure you that I am following all safety guidance and directives from Public Health. We have been instructed by Public Health *not* to close the bubble at this stage.

Please continue to be extremely vigilant and If your child or anyone in your household shows any symptoms, however mild, ensure you do not send your child to school and that you follow all Government advice, including testing. Please read the following link for more detailed guidance (this can be found under the sub-heading 'Actions to take': www.gov.uk/backtoschool).

Thank you for your support and understanding.

Yours faithfully,

Mrs J Carvell
Headteacher

Nobody else is quite like me'
