Sunday 11<sup>th</sup> October 2020

Dear Parent/Carer,

I have been informed that one of our members of staff has tested positive for COVID-19. The staff member has worked in a number of classes (both Year One classes & Mrs Evans's Year Three class) as well as providing one to one support for some pupils. I have worked closely with Public Health and Cheshire East to complete our own track and trace procedure. This is to ensure the safety of our pupils and staff, to reduce the risk of infection.

If your child is a contact case, we will have already been in touch with you to inform you of the next steps. Any contacts informed need to self-isolate for the next 14 days.

Receiving this letter does not mean your child needs to self-isolate and is for information only. You will receive a separate letter if your child needs to remain at home. All other year groups are expected to attend as normal.

A reminder of the symptoms of COVID-19:

- High temperature;
- New, continuous cough;
- Loss or change to your sense of smell or taste.

If your child displays any of these symptoms, please book a test and inform us of any positive outcomes. Please be assured that I am following the Government guidelines and acting upon the instructions given.

Yours faithfully,

Mrs J Carvell  
Headteacher

*Nobody else is quite like me'*
