## **Covid-19 Information**

Dear Parents and Carers,

I am writing to let you know that we have been advised of a child who has tested positive for Covid-19. This child is in Miss Theo's class.

I have been given specific guidance from Public Health England and we are putting all measures in place for the school. I would like to reassure you that I am following all safety guidance and directives from Public Health. As the class is already isolating there is no further action required at this time.

Please continue to be extremely vigilant and if your child or anyone in your household shows any symptoms, however mild, ensure you do not send your child to school and that you follow all Government advice, including testing. Please read the following link for more detailed guidance (this can be found under the sub-heading 'Actions to take': [www.gov.uk/backtoschool](http://www.gov.uk/backtoschool)).

Thank you for your support and understanding.

Yours faithfully,

Mrs J Carvell  
Headteacher

*Nobody else is quite like me'*
