## Internet Safety Talks

In October we welcomed PC Andy Barron & PCSO Scott Burdock into school to deliver a socially distanced talk on internet safety. During the talk the children learnt about the age limits for Apps, how to respond to negative content online, privacy and password settings, cyber-bullying and the digital footprint that can remain online.

NSPCC  
Speak out. Stay safe.  
programme

## NSPCC Assembly

The 'Speak out. Stay safe.' assembly was delivered virtually (with a little help from Ant and Dec), to all children as part of our classroom assembly time. This assembly introduces children to the NSPCC, their mascot Buddy and the rights of all children to speak out and stay safe.

## National Road Safety Week

The Poynton Council Community Support Officers delivered a road safety talk to some of our Reception, Year 1, Year 4 & Year 5 children. This year's key theme is **No Need To Speed**. The children learnt the key principles of road safety whilst crossing the road: Stop, Look, Listen, Think. The children watched videos about how and where to cross the road safely and listened to a very catchy song about it. They discussed their experiences of crossing the road and asked sensible questions.

## Odd Sock Day & Anti-Bullying Week

To mark the start of Anti-Bullying week we held an Odd Sock Day in school to celebrate that we are all unique and individual. The children participated in some fantastic activities about being united against bullying, respectful and kind to others. The Safeguarding & Wellbeing Team have made some fantastic posters around school to display this message.
