Wednesday 23rd December 2020

Dear Parent/Carer,

Covid Isolation for Miss Bird's Class

Today I was notified that a pupil in Miss Bird's class has tested positive for Covid-19. I have taken advice from public health and have been instructed that the class now need to self-isolate until Monday 28th December 2020. They are allowed out on Tuesday 29th December 2020

You will need to monitor your son/daughter for any of the following symptoms:

- High temperature;
- New continuous cough;
- Loss or change to your sense of smell or taste.

Please also refer to the recent information from Public Health that advises any sickness / diarrhoea, headaches, unexplained tiredness, muscle and body aches, nasal congestion and sore throat that do not improve after 48 hours.

If your child displays any of these symptoms please book a test and inform us of any positive outcomes using the covid@vernonprimary.cheshire.sch.uk mailbox.

Other members of the same household do not need to self isolate unless your child develops symptoms or is awaiting a test result.

I appreciate that this news is difficult to receive and self isolating will be especially difficult at this time of year. However, in line with Public Health and Government guidance, it is essential for the safety of the community.

Yours faithfully,

Mrs J Carvell
Headteacher

Nobody else is quite like me'
