Dear Parents/Carers,

I am writing to let you know about an exciting opportunity that Cheshire East are offering in partnership with 'Literacy Counts'. Together they are running a series of online sessions specifically for parents to support in helping children with key aspects of their learning especially when they are working at home.

The first of these live online sessions focuses on reading and takes place on Thursday 11th February as a Zoom webinar. Future sessions will focus on Writing and Phonics and details of these will follow. Please see the attached flyer for more information on how to join this first session if you wish.

You should all now have received your Collins e-library login. Your child's online bookshelf is now fully stocked and ready for reading! I hope that this exciting new resource opens up more opportunities for reading at home, particularly during this challenging time. Please continue to liaise with your child's class teacher or email the school office if you require any assistance with the coloured bands that have been assigned or if you have any questions about the e-library.

Thank you as always for your ongoing support.

Yours faithfully,

Mrs S McNeil
Assistant Headteacher / English Subject Leader
